2008 Season

eMinor

wedding photography

This service is designed for small register office weddings, (typically up to about twenty guests) at one location.

If you are organising a small wedding and want a traditional style album, then this is for you!

This service provides coverage at one location, normally the ceremony.

There is no limit to the number of photographs; We will cover arrivals, the ceremony itself, group, couple and individuals.

You choose your favourite twenty pictures, which we will print 7"x 5" size and supply in a good quality album.

The Cost

The charge for the eMinor service is £250, fully inclusive.

Extras

Extra prints can be made in any size and quantity at our standard rates. The "Reprints and Enlargements" leaflet has full details.

Your friends and relatives can see previews and order their own prints from anywhere in the world using our exclusive WebVision service. This is available on our web site and is completely free to clients who request it.

Booking

To avoid disappointment, please book as soon as you have confirmed the date and time of your wedding.

Your booking is secured with a deposit of at least £50 .

Any other questions

We can customise your service, for example provide more attendance, more photographs or larger prints. Should your needs grow substantially beyond the eMinor service, it is best to upgrade to another service such as our eMajor package, for example.

If you have any other questions, please ask.
